

LABOR DISAGREES; HALTS STRIKE

BLIND AND DEAF THIS MARVEL GIRL TALKS WITH HER FINGERS

**WILETTA HUGGINS
GREATER WONDER
THAN HELEN KELLER**

**CHILD OF 16 IS PUPIL AT
JANESVILLE SCHOOL
FOR BLIND.**

NO EYES BUT SEES

**Deaf but Hears, and With
Uncanny Sense Holds
Dual Conversation.**

By LEWIS C. FRENCH
In the exceptional abilities of little Wilettta Huggins, age 16, a student at the Wisconsin school for the blind in Janesville, the school authorities have found a medical and mental phenomenon that cannot be explained.

Wilettta Huggins is a child wonder, although totally blind and deaf.

Denied the power to see or hear within the last three years, this little girl has developed senses so keen, so accurate and so marvelous that she "hears" through the sense of touch.

She has developed a new method of human understanding. Simply by placing the tips of her fingers, or of one finger, on the face of the person talking, Wilettta Huggins can understand every word spoken to her. She is considered a marvel, not only because she is blind and deaf, but because she has developed such keen senses.

Wilettta through some strange and unexplainable sense—other than sight—can tell who is about her, in the same room or in an adjoining room, if she has known that person for a short space of time. She has developed faculties which never knew she had when she was able to hear and see.

She acquired her new abilities within two years, almost at once after the loss of her sight and hearing. She became deaf. With her strange means of hearing, she can carry on a keen and accurate conversation with two people at the same time, merely by touching the vocal cords of each individual with her finger tips as they talk. Her other ability of knowing people at a distance away, seems to be an instinct or the increased power of scent like that possessed by most wild animals.

Seeing is believing in the case of Wilettta Huggins. Being told of her abilities only makes one skeptical. When I had requested an interview with this strange girl, for the Gazette, there were four people in the waiting room. Superintendent J. T. Hooper was the only person whom Wilettta Huggins knew. The three others were strangers.

When the girl came down the stairs, all four were some distance away. She approached to the door, hesitated an instant and walked directly over to Mr. Hooper—the only person in the room she knew. There was no faltering or guessing about her walking directly to the door of the superintendent, although she could not see him. She knew that there were three other people in the room, whom she did not know.

"Hears Through Fingers." She is of a normal build for a girl of 16 years, robust and plump. Her complexion very dark with a ruddy, out-of-door coloring, with straight black hair. Except for her sightless eyes there is nothing strange about the appearance of this child wonder. She is tall and slender, and does not move a muscle of her face as she stood by the superintendent. She did not hear.

Then Mr. Hooper took the hand of the girl and moved to the door. Putting her thumb and index finger on the larynx, apparently each finger over the location of the vocal cords, the superintendent in an ordinary conversation with her.

"This man wants to interview you for the Gazette. He wants to talk with you." The girl started laughing and replied, "All right, but we must talk in my 'Hears' Two People."

Putting her fingers near the larynx, she could answer any question, repeat any phrase. At first she placed the thumb and index finger on the larynx, then she moved them over one vocal cord, then she moved them over the other.

Continued on page 14.

OUTGOING FREIGHT BUSINESS GROWING; 129 PCT. INCREASE

Increase of 129.1 per cent for March over February in freight shipped by Janesville firms on the Chicago, Milwaukee & St. Paul railway is announced in a statement issued Thursday. Incoming freight on the same road took a jump of 51.8 per cent for the same period, it was stated.

While the total business for the month was lower than the same period a year ago, the increase is felt here to indicate a steady return to normal. The greater margin of outgoing freight over incoming indicates that demand for Janesville products is on the up-grade.

The St. Paul freight house Thursday was filled with outgoing consignments. Twelve cars were on the spur tracks waiting to be loaded.

GOVERNORS OF TWO STATES MEET AND ROAD TOUR STARTS

**ILLINOIS INVADING PARTY
TO HIT JANESVILLE ON
2-DAY TRIP.**

SEE BELOIT ROAD

**Special Attention to be Paid to
Concrete Highway to
Gateway City.**

Governors John J. Blaine, Wisconsin, and Len Small, Illinois, Friday morning greeted each other at the state boundary line south of Beloit, and joined hands for the development of one great factor—good roads.

With them were a staff of officials, including General Bell, commanding officer of Camp Grant, and a number of other officials. There were more than 100 cars in the motor caravan which is to make a tour around a circle for the inspection of the Wisconsin highway building system.

When Governor John J. Blaine, riding with Governor Small, Illinois, came to the bridge at Beloit, the long convey of cars stopped. There was a sign, "Take Main Street, Beloit, Wis. Travel at your own risk."

"Welcome Illinois Governor, Len Small," read a huge streamer posted on the bridge.

The Illinois governor shook hands with John J. Blaine as they stood on the state line, each remaining in his own state.

There was a throng of 2,000 out for the interstate greeting. The cadet corps of the high school formed the guard of honor. The schools were in the line.

The party was late in getting started, the Wisconsin delegation not arriving until 11 o'clock, an hour after the Illinois convey had been in Beloit. It is expected that the pilot, A. J. Hirst, state highway commissioner, will cut short the trip by going directly from Beloit to Madison, where the night stay is to be staged Friday night.

When Illinois cities are interested in showing the Illinois administration the need of adopting the Wisconsin system of building permanent roads.

Show Road Methods. The Illinois delegation was met at the airport by a number of local officials. They were taken to the state highway building system.

Other State Officials. Governor Fred Sterling, who has long been identified in Illinois politics, State Secretary Louis K. Emmerson, (Continued on Page 3.)

SHEET STEEL PRICES ARE CUT DOWN

New York.—Price reductions for sheet steel were announced by the American Sheet and Tin Plate company, a subsidiary of the U. S. Steel Corporation. The reductions varied from \$7 to \$14 a ton on various products.

Simultaneous with the price cut came reports that the company contemplates immediate expansion of operation and the re-hiring of several hundred men laid off some time ago. From Sharon, Penn., was received word that corporation had announced early resumption of operations in 16 of the thirty hot mills of its plant there.

RAIL PEACE SEEN IN ABROGATION OF NATIONAL PACTS

**BOTH SIDES CLAIM SWEEP-
ING VICTORY IN RAIL
BOARD'S DECISION.**

AFFECTS 18 UNIONS

**Individual Roads and Em-
ployes Ordered to Agree on
New Working Rules.**

Chicago.—Both railroad executives and labor leaders hailed the decision of the federal railroad labor board abrogating the national agreements would materially advance the effort to arrive at an agreement satisfactory to both sides.

The board directed individual roads and their employees to confer and agree upon new working rules by July 1. Labor representatives of the 18 basic principles laid down in the board's decision to govern the congress on new working agreement especially the 8-hour day and the right of the employees to organize and select their own representatives, include principles they have been fighting for. Railway executives said that the decision recognized their long fight for the 8-hour day and the right of the employees to organize and select their own representatives.

Affects 18 Unions. The decision affecting members of 18 unions, including those affiliated with the railroad department of the American Federation of Labor. In this group are the "big four," the Brotherhood of Railroad Trainmen and Conductors. In addition, telegraphers, clerks, shop employees, sheet metal workers, switchmen and those members of the National organization of Master Mates and Pilots of America who are employed by railroads.

The decision came just before the terms of the old national pact expired at midnight Thursday. The decision had nothing to do with the various wage conferences which have been in progress by various railroads within the last few weeks. The rules limiting will affect pay envelopes only insofar as it results in modifications of regulations concerning what constitutes overtime work and similar subjects.

Proposed by Atterbury. With the abrogation of the national agreements was proposed several months ago by W. W. Atterbury, vice-president of the Pennsylvania Railroad, it was declared that the national agreements were costing the railroads \$300,000 a year because certain economies in shop conditions could not be put into effect under the old pact.

Bandits Caught by Bank Cashier in Chicago Pull

Chicago.—S. B. Witowski, cashier of the State Bank of Cicero, a suburb, shot up and defeated a gang of six automobile bandits Friday. He killed one robber, wounded two, captured two and only the driver of the car, who remained outside the bank, escaped.

The six men drove up to the bank at 4:45 p.m. and entered the bank with drawn revolvers. The leader approached the cashier, who was standing behind the counter. The cashier fired and the leader fell. The other five men fled. The cashier then called the police.

The three, with Edward Smith, the farm owner, sat down to supper and discussed the complications. The young wife expressed herself and left the house. Later a note was found from her addressed to the police.

Not Intercourse in Schools. The assembly refused to legislate against schools which exclude their students from classes for failure to pay subscriptions to school publications, after a half hour of debate, and a tie vote, which was broken by the speaker.

Action taken against students at the Milwaukee Normal school, for refusal to pay for their paper was strong support. Chairman Hinesman of the education committee pointed out that the matter should be taken care of by the normal regents rather than by the legislature.

Hopes are Shattered. Hopes of legislators that their expenses might be paid by the counties which elect them were shattered by the vote which killed the bill already passed by the assembly, on a 10 to 11 vote. A move to reconsider was taken at once and defeated.

The senate also killed a resolution of assemblyman Lamb asking for a joint committee to investigate the feasibility of using prison labor for the manufacture of beet sugar.

Adjournment was taken by both houses until Tuesday morning.

Worst Blizzard of Year Out West. Denver, Colo.—Denver and this section of the west Friday was in the grip of the worst blizzard of the winter. A gale of 43 miles an hour raged here, and more snow and lower temperature was the forecast.

\$2,000 RAISED IN DAY FOR BASEBALL. Partial reports from teams working on the drive to fund to finance the baseball team, made Friday morning, show about \$2,000 collected in the first day, Thursday. This total does not contain subscriptions gathered by the special committee nor does it take in factories and the large business places, nor money received at cigar stores.

The majority of this sum, it is stated, was in cash. The balance was in the form of pledges, part paid now and the rest to be given when called. After a brief meeting of the Chamber of Commerce at 9 o'clock Friday morning, the workers renewed their efforts. Another day of wet weather was considered an aid in the campaign.

Every resource is being used. It is announced, more than equal Friday the sum that was gathered Thursday. Workers were received cordially in every place, people called upon expressing a keen desire to make the baseball season more successful than a year ago. A realization of the situation was found Friday night ends the work of the regular troops. It is probable that a clean-up squad will cover the city after the scheduled districts have been swept clean. A meeting of the workers is set for 5 o'clock Friday night at the Chamber of Commerce, where reports shall be made.

Stolen Railway Checks Recovered in Clinton, Ia. Clinton, Ia.—Thirty-four of 35 Northwestern railway pay checks, stolen from the Clinton, Ia., office, were recovered Friday night and totaling \$2,550 in face value, have been recovered following the arrest Thursday of a stranger, who succeeded in cashing one of the checks. Thirty-two of the checks were found in an alley, where he was evidently had thrown them as he was being escorted to the police station.

THAT NEW SERIAL BEGINS APRIL 16. In the Gazette Saturday April 16 will begin a new serial story and thereafter each Saturday chapters of "The Spooks of the Storm" will demand the closest and dearest interest of the reader.

The Gazette has purchased a number of the best fiction stories to be obtained—each one of them published in book form and selling for from \$1.50 to \$1.99 each. These stories are in the Gazette cost nothing additional to the reader of Southern Wisconsin's Greatest Newspaper.

There will be many other feature appeals in the newspaper Saturday. Besides that there will be those articles and departments with which the readers of the Gazette have grown familiar: from the face of Jiggs to the talks by Mrs. Thompson.

SUDDEN CHANGES RELIEVE ENGLAND'S BLACKEST CRISIS

**RAILWAYMEN AND TRANS-
PORT WORKERS CAN-
CEL ORDER FOR
WALK-OUT.**

MOVE UNEXPECTED

**Lloyd George Announces Min-
ers Refused to Re-Open
Negotiations.**

London.—An unexpected and sensational split in the ranks of the powerful Triple-Alliance of Labor Friday afternoon completely changed the complexion of the blackest industrial crisis Great Britain had ever faced, and averted the projected strike of railwaymen and transport workers in sympathy with the striking miners set for 19 o'clock Friday night.

Events developed with such sudden and startling changes as to leave the public amazed. Simultaneously with the announcement in the house of commons by Prime Minister Lloyd George that the miners had declined to accept his invitation to reopen negotiations with mine owners on the question of wages Thursday evening, Frank Hodges, the miners' secretary, came the announcement that the railwaymen and the transport workers had "cancelled" the strike called for Friday.

Argue Hodges' Proposal. It appeared that the conferences throughout the day among the members of the alliance had developed into a controversy revolving about the Hodges proposal. The miners condemned those with the assertion that Secretary Hodges had conceded too much in offering to discuss the question of wages without raising immediately the controversial issue of a national pool, while the railwaymen and the transport workers declared the proposition was reasonable and that the miners should renew the negotiations.

Miners to Confer. The calling of a conference of representatives of the miners from all the coal fields at a date to be fixed Saturday, was decided by the executive of the miners' federation Friday evening. It took this action after the decision of the railwaymen and transport workers to cancel their sympathetic strike.

Frank Hodges, the miners' secretary, when questioned regarding this decision, said it was reasonable and that the strike would continue. A letter was sent by Premier Lloyd George to local authorities throughout the country for their guidance if the strike should be called off Friday night should be brought about.

WILL DECIDE ON CONTINUING RELIEF. To hear a report of the secretary, Miss Kathryn Ketchpaw, and consider the advisability of continuing the work, the executive committee of the National Bazaar will meet at the Chamber of Commerce at 7:30 Friday night. Local conditions have improved considerably, it is said, and while the bazaar and some work to do, whether there is sufficient to warrant continuation will be discussed. The bazaar has been in operation nine weeks. The executive committee consists of Rev. Dean J. F. Ryan, chairman; Stephen Bolles, Rev. F. F. Lewis, Miss Gertrude Cobb, Miss Josephine Carle, Harry V. Ross, Fred Green and Rev. Henry Williams.

SHORT NEWS STORIES. Olympia, Wash.—The conviction of seven alleged I. W. W.'s for second degree murder for the Centralia shootings on armistice day was upheld by the Supreme court.

ATHENS.—A repulse of an attack by 20,000 Turkish cavalry by Greeks with the capture of six Turks was announced.

BONES OF SOLDIERS SLAIN BY INDIANS ARE DUG UP IN WEST. The Dalles, Oregon.—Mutual evidence of a long and bloody battle was unearthed in the days of early settlement of the Dalles, was brought to light Thursday when workmen engaged in the construction of the Columbia River highway near the Deschutes River unearthed six skeletons, each with the skull crushed in.

With the skeletons was found an old fashioned gold watch chain, a rotted army saddle such as was used by cavalrymen stationed at Old Fort Dalles, a small copper campaign kettle, and such as was used by soldiers for cooking purposes while in the field. The bones crumbled to dust when handled.

It is the opinion of the army that the findings are the remains of a skirmishing party of soldiers ambushed and slain by Indians.

BASEBALL TODAY. AMERICAN LEAGUE. Philadelphia at New York, rain. New York at Philadelphia, rain.

THE WEATHER. FOR WISCONSIN. Fair tonight and Saturday, except somewhat unsettled in south portion; colder in south and the extreme east portions tonight with temperature near freezing; fresh to strong northerly winds.

"The Spoils of the Strong"—New Saturday Serial Will Begin This Week

HUGHES WINS WAY IN FOREIGN POLICY

France's Acceptance of U. S. Viewpoint on Island of Yap First Triumph.

By DAVID LAWRENCE

Washington.—The United States is slowly winning its way in negotiations with foreign governments. France has accepted the American viewpoint on the status of the island of Yap and there are indications that Japan, Great Britain and the other nations will follow.

The significance of what is happening does not lie merely in the Yap question itself. Something broader is involved. It is the expressed willingness of France to be the close friend of America in shaping a new foreign policy. Great Britain has not been so ready to follow the lead of the United States. The war manifested a desire to work hand in hand with America on matters of world politics and the Harding message to congress is known to have provoked informal approval among the diplomats generally.

Hughes is tactful. Secretary Hughes is handling the delicate negotiations with splendid tact and perseverance. Although he is not being quoted in newspapers every day and is careful about the comments that are authorized for publication, he is giving the Washington correspondents an example of frankness in dealing with the press. Mr. Hughes prefaces his remarks usually with the injunction that he is not to be quoted, but he discusses questions with amazing freedom and with a clarity that leaves no room for misunderstanding. Just the other day somebody asked him to comment on a note that had been received by the United States government. The communication itself was obviously agreeable to our government but Mr. Hughes pointed out that he didn't want to start a precedent of comment. Cases might arise, he thought, which might not be so favorable and if he failed to comment, his silence would be regarded as significant and perhaps a meaning given to the incident that would be unwarranted.

Is His Own Spokesman. There has been a good deal of trouble about press agents and publicity and propaganda. There will be such trouble as long as there are men like Mr. Hughes. He is his own best spokesman. He gives the slant to the news of the day that he feels should be given. But his most signal service is in forcing possibly groundless misunderstandings. He can see in a question asked by correspondents further ahead sometimes than the newspapermen themselves.

Case in point was a minor but not unimportant matter that the state department was soon to be reorganized. Mr. Hughes admitted that such a plan was in contemplation but the thought flashed through his mind at once that even such admission might be the basis for speculation and disturbing stories about personnel. He quickly explained that the supervisory personnel was all that could be desired in the Undersecretary Fletcher, Assistant Secretaries Deering and Bliss and Director Carr of the consular service, the department had a splendid group of experts but that what remained to be done was coordinating the work of the bureau and tying together certain activities that were related to each other but were separated at present.

Makes Good Progress. Mr. Hughes appears to be well satisfied with the progress made in the negotiations thus far with foreign governments. The department of state has had a difficult job in taking up the threads of a tangled international situation. But President Harding and Mr. Hughes have talked over the whole field of foreign affairs and Mr. Hughes knows the cardinal principles. With the same zeal and enthusiasm which has characterized his handling of big legal problems in the past, Mr. Hughes tackles each question in diplomacy with a rapidity and thoroughness that have already produced a favorable impression throughout the national capital. It is not usual to find early enthusiasm so quickly justified.

The note from France is the first triumph. France admits that the handing out of mandates in the past was rather haphazardly done. The French have gone further in their informal oral expressions than in their note. They have said frankly that they didn't think it was becoming of the great powers to take advantage of America's absence from the conference by giving away territory without the express consent of the United States.

(Copyright, 1921, by Janesville Gazette.)

OBITUARY

Mrs. Margaret Joyce—Mrs. Margaret Joyce, 1055 Jerome avenue, died at 4:30 Thursday afternoon at her home, after an illness of two years, having been confined to her bed for the last six months.

She was born November 12, 1852 in Massachusetts and came here with her parents when four years old. She lived on a farm between Janesville and Idarcon and in 1881 she was married in Edgerton to Michael Joyce, by whom she is survived.

The family were born four children. Margaret, who died in 1917, Mrs. George Cullen and Mrs. W. J. Skelly, both of Janesville, and William Joyce, Chicago. Brothers and sisters surviving are: Mrs. Charles Collins, Mrs. Patrick Connors, John Connors, Michael Connors, Mrs. Charles Hallett and Mrs. Thomas Westlake of Edgerton.

The funeral will be held at nine o'clock Saturday morning from St. Mary's church, Rev. Charles Olson officiating. Requiem high mass will be said and burial will be in Mount Olivet.

BELVA SORENSON WINS IN CONTEST

Competing with eight other high school girls, all whom had good subjects and good delivery, Miss Belva Sorenson took first place in the declamatory contest at the high school here Thursday evening, giving "Helen Thumre" as her declamation. Deaton Thomas, with "The Old Days," came second, and Helen Garbutt, with "The Death of Jim" third. Other participants were Edna Connors, Ruth Moody, Dorothy Clark, Genevieve Hughes, Wilhelmina Cook and Dolores Krug.

Judges were Miss Mary Hallett, Miss Annela Rosenbaum and Principal J. L. Lowth of the teachers' training school. A large number attended. The oratorical contest, open for only girls, will be held later, at which time medals for the winners of all three will be given out.

LOCAL CONTRACTORS GET \$40,000 JOB

A Summers & Sons, Janesville contractors, were successful bidders on a \$40,000 high and wide school building in South Wayne, Wis. The construction work is to be started next week and expectations are that the school will be completed by September 1.

CULLEN HAS LOWEST BID ON NEW SCHOOL

J. P. Cullen and son were low bidders on the contract for the construction of the \$100,000 Evansville school building, bids for which were opened April 12, to an announcement has been made on the letting of the contract.

GAMES SATURDAY

Two of the last of the church league games will be played Saturday evening at the Y. M. C. A., the first one between the Congregationalists and the Methodists at 7:15 and the other between the Congregationalists and the Presbyterians immediately following.

AT WASHINGTON

Peter A. Jay, Rhode Island, new minister to Salvador, has been selected by Harding to be minister to Rumania.

Conservation of the resources of interior waters will be considered at a conference called by Secretary of Commerce Hoover to meet in Fairport, La., June 8-10.

Prohibition of the shipment of arms and munitions to any country where they might be used for revolutionary purposes has been asked of congress by the state department.

Representatives who made an unsuccessful attempt last session to increase the size of the house to 535 members, have begun a compromise movement to boost the membership to 460.

Republican proponents of the consolidated emergency and anti-dumping bill made an effort to bring the measure to a vote in the house before adjournment Friday night.

France has warned Austria that she will suspend by contemptuous assistance to Austria if that government is unable to make inoffensive plans for the fusion of Austria and Germany.

Frank White, Valley City, N. D., was nominated by Harding to be treasurer of the United States.

Lieut. J. J. Larkin, army air service, was killed in the fall of his plane at Bolling field.

GET LOWER BIDS ON CITY SEWERS

Property Owners to Save From 25 to 30 Pct. Over Last Year's Prices.

Janesville's seven-mile sanitary sewer program for 1921 will be carried out at a cost of from 25 to 30 per cent less than the jobs of the past two years, it became known Thursday when the bids of 16 contractors were opened by the board of public works.

Lowest bids for laying 8-inch tile pipe were around \$1.07 per foot; for 12-inch, \$1.23; and for 15-inch, \$1.55. In the contract of G. W. McCallister, Rockford, let in 1919 and completed in 1920, the prices were \$1.50 for 8-inch pipe and \$1.75 for 12-inch.

Waukesha Man Lowest. The board did not let the contract. Friday, although it appears certain that it will be awarded to Frank E. Cayll, Waukesha, whose bids on work in all the sewer districts appeared the lowest. A complete list of figures, being prepared by City Engineer C. V. Karch's department, will be announced tomorrow. The man to whom the contract will doubtless be let.

Cayll performed work here several years ago which was found to be fully up to standard, Mr. Karch stated.

Local Company Bids. The Modern Paving Corporation, Janesville, was among the bidders offering to lay the sewers in two districts affecting Overlook Heights. The other eight bidders were: John T. Blake, Madison; P. J. Gavahan, Racine; Pastore Construction company, Duluth; Brogan & Schuler, Green Bay; Arthur A. Luebke, Watertown; O. M. Amerson, Holland; Ed. Henry Rice & Son, Quincy, Ill.; and Genit T. Thorne, Oshkosh.

The bidding did not include the work of constructing a mile section of the main outlet sewer along East avenue, on Eastern avenue to the state school for the blind. Bids for this work, a \$100,000 project, will probably be sought within a few weeks.

CHAMBER LUNCHEON IS MONDAY NOON

Business conditions in Canada and Alaska will be the subject of the bi-weekly luncheon of the Chamber of Commerce to be held at the Grand hotel at 12:15 o'clock Monday. Dr. L. O. Armstrong, of the Commercial Economics, Washington, D. C., will be the speaker. One of the country's ablest lecturers on business and commerce, he has returned from an extended journey into the north country with up-to-date information on trade conditions there.

MARRIAGE LICENSES

Four couples applied for marriage licenses Thursday. Harry Klingberg and Anna Grunberg, both of Beloit; Herbert W. Bayer, Center and Esther Helen Traubert, Haverwy; Adam William Robinson and Gladys Olive Auld, both of Janesville; and Lyall Seales and Lena Katherine Nahlig, both of the town of Rock.

LIFE RESIDENT HERE DIES AT AGE OF 71

A resident of this city for a lifetime of almost 72 years, Leslie E. Carter died at 11 o'clock Thursday night at Mercy hospital following an operation performed after a year's illness.

He was born in this city July 6, 1849.

He is survived by his wife, five children, Mrs. J. H. Shockey, Eugene Roy, Robert and Albert Carter and five grandchildren, Marvin Shockey, Esther, Viola, Doris and Roberta Carter, all of Janesville.

The funeral will be held at the home, 519 South Washington street at two o'clock Saturday afternoon. Rev. H. C. Pearson officiating. Interment will be in the Shoreline cemetery. Friends are requested to omit flowers.

C. MEMBERS URGED TO SEE EXPOSITION

All members of the Chamber of Commerce are urged in a special letter sent out Friday to attend the exposition of public schools to be held here April 18 and 19. The Chamber requests its members to visit the demonstration so that they become better acquainted with what the school authorities are doing and the institutions are accomplishing.

Another Arrest in Madison Embezzlement

Madison.—W. D. Tenny, secretary-treasurer of the Madison Bond company, was arrested Friday morning for alleged complicity in the embezzlement of funds of the company.

charged by Victor H. Arnold, its president. Warrants had already been issued for Barton E. Buckman, vice president. Tenny was arraigned in superior court and pleaded not guilty. He furnished bond and was released.

Word was received that Buckman was on his way from Chicago to Madison. He sent word that he knew nothing of the matter until he had read reports of the story of the alleged embezzlement in the Chicago.

Home Produce
Brought in for
Local Markets

Green vegetables for Saturday are reported as much better in quality than those of the past week. The new supplies in all the vegetables and fruits having come in the latter

part of the week. Strawberries have again made their appearance, after being gone a week. They are large, red and sweet. They sell for 30 cents a pint. Asparagus is also better than usual this week, the stalks being long and uniform. They sell for 20 cents. Wax beans have made their appearance at 30 cents a pound. Peas and carrots sell for 10 cents a bunch, new cabbage at six and seven cents per pound, head lettuce either 15 or 20 cents a head and leaf lettuce, 35 cents a pound. Tomatoes are extra good at 35 cents a pound and large green peppers can be purchased for 7 and 10 cents each.

Home Grown Stuff. Home grown goods are beginning to arrive, onions selling for 5 cents a bunch while the onions shipped in are 10 cents. Radishes, the long ones, which will be in the market until the home grown ones arrive, have gone down from 10 to 5 cents each, while the price of celery remains about the same, from 16 to 15 cents. Shallots are 10 cents a

5-DAYS-5

Charlie Chaplin has taken a partner in the fun business. It's Jackie Coogan, the Kid. They're the greatest combination of mirth-makers who ever got together and the laughs that Charlie maybe overlooks come fresh and snappy from the Kid. And would you believe us if we told you that here and there through the six great reels of the biggest comedy that the world has ever seen, there's a sob? It's a fact—and that's what makes the laughter bigger still.

Sunday Continuous Show, 1:30 to 11.
Admission: Children 25c; Adults, 40c.
War tax paid.

Majestic Theatre

Spinach at 18 cents a pound is fresh and clean. Eggs remain the same, with promise of a good crop. They stood at 20 cents Friday, the price of the last two weeks. The quality of oranges ranged a great deal, from 30 to 35 cents. The new oranges sell from 30 to 50 cents and the Florida from 60 to 65. Lemons remain at 25 and cut apples at 10 cents a pound.

Meat Prices Same
Little change is noted in the price of meats and the quality seldom varies during the year. Round steak is selling at 25, 24 and 35 cents. Sirloin, 30, 25 and 40, porterhouse at 35, 40 and 50, the different prices depending on the quality. Rib roast of beef is 25 to 30 and pot roast is 15, 18 and 25 cents. Pork roast is 15, 18 and 25 cents. Pork chops are 30 and 35 cents, corned beef ranges from 20 to 25 cents and a side of beef from 30 to 35 cents a pound. Whole hams sell for 30 and 35 cents per pound while sliced, it costs 40 and 50 cents.

**PERFECT MODEL -
OF ROMAN FORUM
READY FOR SHOW.**

An almost perfect model of the Roman forum, the work of Miss Mary Howard, teacher at the high school, will be one of the most interesting features of the Public School Exposition, April 18 and 19, and it is expected it will draw large numbers to the Latin booth, under the supervision of Miss Caroline Zainlager, another member of the faculty. The model, made chiefly of plaster

at Paris, represents the work of eight or nine months on the part of Miss Howard, well versed in the knowledge of Rome in the old days, having taken a course in Latin at Madison, where she will continue her work in the summer and receive her master's degree. It is claimed Janesville has the distinction of having the only known model of the Roman forum in the United States and except for a smaller wooden one in Europe, the only one in the world. However, soon after the exhibition, the model is to be shipped to Madison, where it will remain.

Is 4 Feet Long.
The description of the model is a description of the forum itself, so nearly perfect are all the details. It mea-

is made of the plaster and has the elevations of the original ground at Rome.
The models of the buildings have been built perfectly, even to the number of columns and the proportion of the distance between buildings as perfectly as can be done, according to the records now remaining of this famous spot, the center of ancient civilization. The highest building, the basilica, stands 18 inches.

Molds were used in making the buildings, some of which had to be built two or three times, representing works of labor. The temple, the triumphal arches, the dome and even the statues are shown, all done in pure white plaster, with the roots of the buildings painted red in the color of the tile used then. The pillars, made by using glass tubes filled with the white plaster, present a realistic appearance. The temple of Jolius Caesar is especially exact in its detail, the steps, pillars, the windows in the walls and even the statue of Caesar itself being inside.

Soft Horses and Hard Tractors

Horse flesh does not improve with winter idleness. Like athletes out of training, horses are soft and have to be worked carefully in the spring.

But the sturdy Fordson keeps fit. Through the winter, there are tasks for it to do and in the spring it is on the job early with the Oliver Plow to do the plowing on time and well.

This spring, though farm help may be cheaper, every efficient method must be used to insure economical production.

There is a special Oliver Plow to use with the Fordson for every farming need.

FOURTH ELKHORN YEGG CAPTURED

Quartet of Yeggs in Custody, Three Given Hearing in Court.

(By Special Correspondent) Elkhorn—With the capture of the fourth man by the Milwaukee police Friday morning, the quartet of yeggs who were intercepted by the quick action of Elkhorn people following an alarm given by Miss Mabel Rosenhauer at midnight Wednesday, is in custody. The man arrested in Milwaukee is supposed to be Almond Leclair.

The other three already in lock were given a preliminary hearing before Justice Charles Wilson Friday morning and held to trial for next Tuesday. In default of bail the men were sent to jail.

The trio here in court gave the names of Ralph Jewett, George A. and Ed Burns. Sheriff Jack White is after the man captured in Milwaukee and will return with him Friday noon.

WOMAN IS HEROINE IN CAPTURING YEGGS

(By Special Correspondent) Elkhorn—Miss Mabel Rosenhauer, one of Elkhorn's school teachers, has become a heroine. It was in front of the home of her parents that the robbers, two of whom were caught in a night battle here Wednesday while looting a hardware store, parked their car about midnight on Wednesday. Miss Rosenhauer suspected they were thieves and telephoned the city marshal. But for her prompt action no doubt the robbers would have loaded their loot unmolested and would have been back in Milwaukee before morning. The loot consisted of five auto cord-tires and inner tubes, valued at \$322, stolen from Schmidt's garage and \$250 worth of runs and cutlery, taken from Ol-

ing to frighten the posse, but when Marshal Hal Wylie returned the fire, one of the prisoners admits that it "sounded like a cannon and they thought it was the posse." The posse of valor and aided by the darkness made their escape.

One of them walked to Lake Geneva and took the morning stage to Burlington, where he was taken into custody by Marshal Bellar.

Three council meetings are scheduled the next five days, the first of which will be an informal meeting of the old council at the city hall Friday evening to agree on boundaries of the proposed six wards on the west side to take the place of the present three wards there. The second one will be Monday night, the last meeting of the old council.

Chicago—Charles White went to St. Luke's hospital Thursday to be operated on for hernia, an ailment which he says has troubled him for nearly a year.

ASK CONGRESS TO CUT TOBACCO TAX

Petitions are being circulated here calling upon congress to reduce the revenue tax on tobacco, which it is claimed has put prices up to nearly double what they were before the war. The petitions are being sent all over the country by tobacco companies. It is claimed, on a package of 20-cent cigarettes, it is claimed that 6 cents goes for revenue tax. It is pointed out there can be no

immediate reduction in the price of tobacco while the 1919 crop is being used and the high taxes exist.

Aged Man, Gagged and Bound, Starves to Death

(By Associated Press.)

South Haven, Mich.—Officers investigating the death of Harry Gaulting, 70, found in a cabin 20 miles north of here, gagged and bound to his bed, expressed the belief he had starved to death.

COUNCIL MEETS 3 TIMES IN 5 DAYS

Three council meetings are scheduled the next five days, the first of which will be an informal meeting of the old council at the city hall Friday evening to agree on boundaries of the proposed six wards on the west side to take the place of the present three wards there. The second one will be Monday night, the last meeting of the old council.

Janesville Bowlers Win Third of Prizes in Pin Meet

Copyright 1920 by Geo. McManus.

TOURNEY CLOSES; TWO TITLES WILL REMAIN IN CITY

Janesville boys carried off 23 per cent of the honors in Southern Wisconsin bowling tournament which closed Thursday at the West Side alleys here. Prizes of \$750 will not be paid, local winners being able to get them on application at the prizes.

The five men and doubles championships of the meet remain at home. The Samson Tractors walked off with the five man, rolling 2855 for the 1920 prize. Cook and Lambert of this city took the tournament with 1226 for prize of \$10. Lance of Watertown was the singles title winner with 647 for \$25. The all events prize to Champion Jimmy Smith of Milwaukee with 1592 for a prize of \$5.

Five in Five Men
This city played four in the finals of the five men; four in the two men; six in the individuals; and two in the all events.

A statement issued Friday by the management reads:
"The management of the tournament is well pleased with the outcome. All out of town bowlers left with good wishes for Janesville and appreciation of the treatment accorded them. The meet was conducted without argument, every event being bowled on time and according to schedule. The management wishes to thank those who took part; those whose donations helped so much and the Gazette for its liberal space given to tournament notices."

Sox Lose, 6-5; Cubs are Idle

AMERICAN LEAGUE
Chicago's newly-launched White Sox dropped their first game of the season to Detroit 10 to 6. The Tigers won on a seventh inning rally followed by a two banger by Hellman in the ninth with two on.

Penick was knocked out of the box and two other starters were hit hard when Washington won from Boston, 8 to 2.

Philadelphia came from behind the ninth, scored two runs and defeated the Yankees at New York, 4 to 2.

It's a long road that has no turning. The Cleveland Indians came back strong and defeated St. Louis 12 to 0. Wood's double in the sixth with two on, put the champions in the lead.

NATIONAL LEAGUE
St. Louis at Chicago, rain.
New York held on, batting first to beat Philadelphia, 10 to 2, knocking Meadows from the slab.

Rueher and Mitchell of Brooklyn were hit all over the lot and Boston was victorious, 12 to 4. The Braves made 16 hits for a total of 21 bases.

Gathering their hits in three innings, the Pirates beat Cincinnati, 12 to 0.

AMERICAN ASSOCIATION
St. Paul at Milwaukee, rain.

Joe Cantillon's Millers opened the season Thursday with a victory over Kansas City, 2 to 1. The Blues' lone run was a homer by Zwilling.

Getting only two hits, Toledo lost to Louisville, 5 to 0.

Indianapolis, Columbus, rain.

MILTON OPENS TUESDAY WITH WHITEWATER

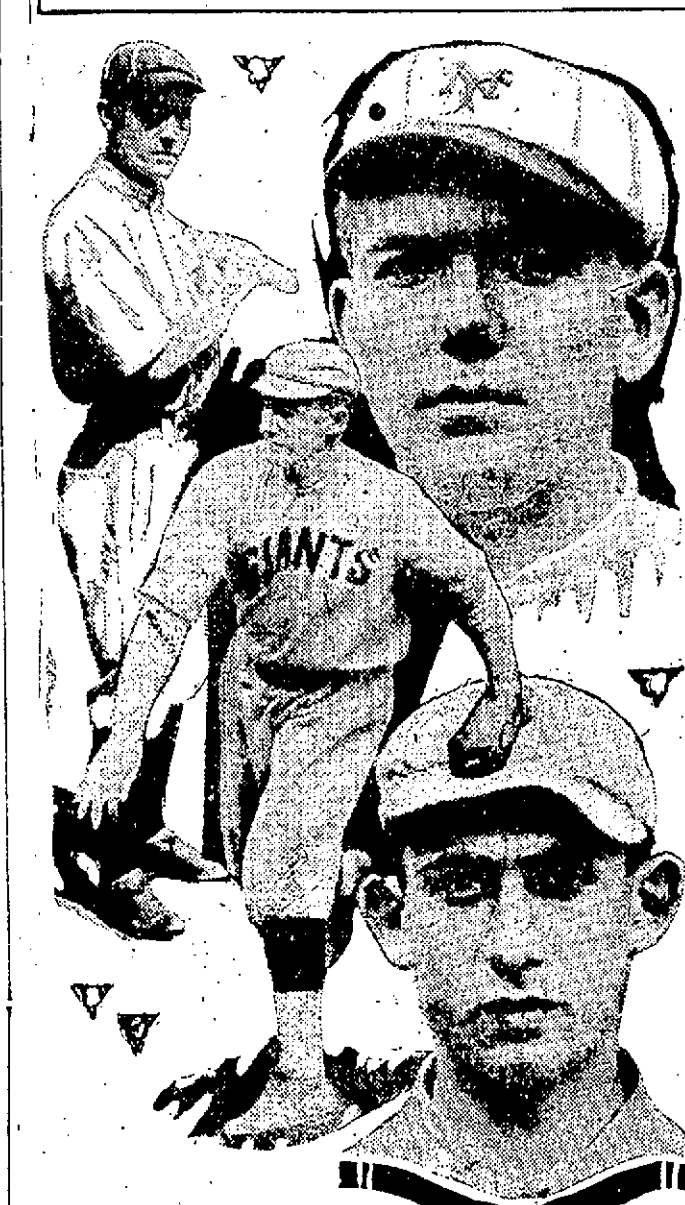

Milton—Milton college baseball team opens the baseball season next Tuesday at Whitewater. Rain caused postponement of the University of Wisconsin game, which was to have been played April 8 at Madison, and the Carroll game, scheduled for Thursday, was called off at the request of the Whitewater college, which is readjusting baseball after a lapse of several years and does not yet feel prepared to take on college teams.

The first home game will be played on May 11 with the Plattville School of Mines. The postponed game with the University of Wisconsin will take place some time in May.

BRINGING UP FATHER

THE GIANTS ARE DUE TO COP THE FLAG

Days Hancock at bat, a closeup of Rube Benton, Fred Toney in action and, below at right, Art Nehf.

The Giants were headed for the pennant in the N. L. last year when their pitchers slipped and the team got off its stride. The Dodgers nosed out a victory. This year the Giants are stronger on the field and have what they lacked most of all last year, competent coaches and strategy board.

FREAK IS RIGHT! WAS IT THE 9TH?

Roscoe, Va.—Robert P. Stone, university of Virginia student, became a claimant for the 1921 freak golf shot when he made a literal "birdie" with a drive shot and brought down a dove flying high in the air. The ball broke the bird's wing but was hardly slowed by the impact and Stone made a par on the hole.

At the State Capital

Madison.—Outstanding legislative developments of the session are portending as a result of occurrences of the past two days in the legislature. A new turn was taken on the prohibition question while reapportionment, investigation of commissions and definite marketing legislation were started on their way.

The most complex and important problem of the session will center around reapportionment of the state on the basis of the new census. The legislature on Friday started consideration with the appointment of committees of both houses to work out the matter.

Redivision of the state directly affects every member of the assembly and senate and reaches to the political foundation of the state. The conservative element in both assembly and senate dominates the committee and will shape the districts. It is anticipated, according to the designs of their wing of the republican party, that the work of the reapportionment committees and the investigating

Moose Plant Ball Team, Pin Matches

Janesville lodge of Moose is getting deeper into the athletic spirit in addition to making arrangements for a bigger gymnasium, in the new quarters, and holding bowling tournaments among its members, the club is now organizing a baseball team.

There is also talk of adding in reviving the sport of track and field. On Sunday the first practice of the Moose baseball team will be held. A call for candidates to appear at the lodge rooms at 9 o'clock in the morning with equipment has been issued. The plan is to play amateur teams in the city and to procure games with out of town teams.

Next Monday the fourth series of games in the Moose pin meet will be held at the East Side alleys at 7:30. From the rollers in the novelty events, four teams of five men, each have been picked from the high 20. These are:

Purity—Briggs (C), Kreslin, Chas. McManis and Jerry Vidler; Baumann (C), Zigler, B. Cuts, Adams and Mafer; Progress—G. Kieck (C), H. Hinde, Shuman, Sinclair and E. Hinde; and Aids—Tinnavitz (C), D. L. Algrim, C. K. and H. K. Kieck. Substitutes are Jerry, D. Kieck, Taylor and Jensen.

Dunn Not Guilty of Breaking Blue Laws
Jack Dunn, manager of Baltimore International League team was found not guilty of violating the Blue laws by playing Sunday baseball.

Spokane, Wash.—An offer of \$12,500 was telegraphed to Tex Rickard, boxing promoter, at New York late Thursday for the Jack Britton-Frank Mitchell welterweight, bout scheduled for July 4 by J. H. Sexsmith, wealthy Spokane lumberman and owner of the Alan race track near Coeur d'Alene, Idaho. Twenty round fights to a decision are permitted in Idaho.

Tex Inspects Fight Sites

New York—Tex Rickard, inspecting several new Jersey sites for the Dempsey-Carpentier bout but made no decision.

Schjoll of Minnesota Quits College Athletics

Minneapolis—Carl Schjoll, football candidate and looked upon as one of the mainstays for the 1922 basketball team, will not play with the University of Minnesota team next season. It became known Friday, Schjoll has dropped his studies to accept a position here.

Capablanca Captures Eleventh Chess Game

Havana—Capablanca won the eleventh chess game.

SPORTING BRIEFS

Offer of acceptance of a bribe to procure a defeat in any athletic contest in Pennsylvania is made punishable by a fine of from \$100 to \$5,000 or imprisonment of not over five years or both, under the terms of the McBride bill, approved Thursday by Gov. Spruiell.

Reginald D. Jersey, diminutive stroke of the Harvard Varsity crew, who set the pace that carried the eight to victory over Yale last year is lost to the crew this season. Definite word came from him at Hot Springs, Ark., Thursday that the attack of rheumatism which caused him to go there, would make it impossible for him to row for months.

New York—Boxing in New York, under state control since the act of August 1920, has proven a success both financially and in a sporting sense, the state boxing commission declared in a joint report with the state license commission, just made public.

BLACK SOX GAMES AGAIN UP BEFORE SEMI-PRO TEAMS

News reaching here Friday that the Aristos of the Chicago league were to play the "Black Sox" in the Windy City on Sunday was commented upon with interest. Action is to be taken Friday in Chicago ruling that the Aristos must not play; the Tractors will cancel the game. The Tractors will cancel the game booked with the Aristos.

Play Winnipeg Sunday
Baseball fans are praying for good weather for Sunday so that they may take a run up to White-water to see the Tractor city club play their first game of the season against the Winnipeg club of the Northern league. They don't want it to be like last year, when the scheduled game between the Samsons and Winnipeg was called off because of rain.

Winnipeg has returned to White-water for nine years now to train there before opening the season in the Northern circuit. They have copped off a couple of pennants in that time and should make a good opponent for the locals even if it is a little early in the year. The Tractors are in good shape for so early in the season so that the battle lines up good.

For the convenience of autoists they can go by either of two routes: both financially and in a sporting sense, the state boxing commission declared in a joint report with the state license commission, just made public.

Stagg Relates How H. S. Boys Become Stars

Chicago—Many college athletes start their rise at the University of Chicago's annual interscholastic track meet, according to Athletic Director A. A. Stagg, commenting on the event that will be reopened May 23 after a war interruption.

This, Coach Stagg said, is due in good part to the fact that many of the interscholastic meet have been chiefly state meets, while the Chicago meet, had through its location at the hub of the middle west become practically the national interscholastic track meet of the country.

Track Got Start
"Arlo Muecke, the University of Wisconsin star, holder of the world's discus record, started his famous career at the Chicago interscholastic," Mr. Stagg remarked. "He came from a high school at Oshkosh, Wis., and won the discus in 1910. The next year he took the discus and shot put and won the individual championship."

"Larson, who recently made a world record high jump in the west, had only a local reputation when he put in his entry from St. George, Utah. He proved the best in the jump at the 1914 meet."

How Merriam Begun
"Ned Merriam, now track coach at Ames, Ia., hardly knew what a track shoe was when he won the quarter mile in 1905. He ran around the outside of the track and did it in 52 4-5. Merriam later won the Western Conference quarter for three years and the conference low hurdles for two years."

"Another high school boy, unknown in this section when he came to Chicago, was Carl Johnson, who later became the Michigan star and track captain. He came on in 1915 from Lewis and Clark high school in Spokane and took the broad jump with 23 feet 4 1/2 inches, the best ever made in the 15 years the meet has been held."

Regulate Sports Under New Plan at Northwestern

Chicago—Director of Athletics Dana St. Evans of Northwestern University is working out a new plan of physical examination of candidates for varsity football and other exceptionally fast and hard sports which, medical authorities believe, will mean a substantial step forward in the general program of physical supervision of American college sports. The plan will be put into effect next session if approved by the faculty athletics committee.

The plan embraces a scheme for surprise tests for athletes and for the average boy and girl more frequent physical tests. It will include the following:
Examination of the heart, kidneys, lungs and the taking of the blood pressure at various periods, none to be at established intervals.
Director Evans, thinks that unexpected testing of the heart, the blood pressure and the kidneys will be an innovation that will be vastly beneficial.

"My plan as outlined in my mind now is to do something that no other university, so far as I know,

Regulate Sports Under New Plan at Northwestern

Chicago—Director of Athletics Dana St. Evans of Northwestern University is working out a new plan of physical examination of candidates for varsity football and other exceptionally fast and hard sports which, medical authorities believe, will mean a substantial step forward in the general program of physical supervision of American college sports. The plan will be put into effect next session if approved by the faculty athletics committee.

The plan embraces a scheme for surprise tests for athletes and for the average boy and girl more frequent physical tests. It will include the following:
Examination of the heart, kidneys, lungs and the taking of the blood pressure at various periods, none to be at established intervals.
Director Evans, thinks that unexpected testing of the heart, the blood pressure and the kidneys will be an innovation that will be vastly beneficial.

"My plan as outlined in my mind now is to do something that no other university, so far as I know,

is doing," he said. "More and more I am coming to the opinion that if physical culture is to be permanently serviceable as an upbuilder of future generations and if it is to make a lasting contribution to civilization we must regulate it within proper limitations. We must not turn out stars who die before forty of so-called 'athletic heart' nor must we follow an idle or dilly dally policy."

"I think, therefore, that I shall arrange for the surprise test. I am especially anxious that the blood pressure test be made. I wouldn't at this time say just how often but we shall provide ways of determining when the students need these tests. The beauty of this plan will be in the better regulation of our exercise program."

Gideons of Wisconsin to Meet in Eau Claire

Eau Claire—Gideons of Wisconsin will hold their annual convention in this city May 8, according to an announcement. The program is

No home should be without Resinol Ointment to be applied to the first bit of itching rash or redness. Its mild, harmless ingredients and its success in healing eczema and kindred ailments have made it a standard skin treatment and a favorite with doctors.

Resinol

Edgerton

Frank Russell, Correspondent.

Edgerton—Mr. and Mrs. William Edgerton have returned from California, where they spent several months with relatives.

The Eastern Star will hold a baked goods sale next Saturday at the Edgerton. All members of the order are requested to furnish something for the sale.

John Lucas has opened his warehouse for the sorting of tobacco.

Mrs. Fred W. Coon is visiting her son, Warren and wife, in Minneapolis.

Mrs. Westman Dickinson, prominent in W. C. T. U. work and president of the Rock county branch of that order, attended a state conference at Chicago.

To include addresses by three officers of the national association. They are President J. Harry Humphreys, Huntington, W. Va., Vice President, S. A. Fulton, Milwaukee, and Secretary A. B. T. Moore, Chicago.

once of the order in Waupaca this week.

Mrs. William Bussey has had as her guest this week, Mrs. Rolfe Marston, Fullerton, Calif.

Thursday afternoon about 30 relatives and friends of Mr. and Mrs. William Schiefelbusch, who reside on the Ladd farm just east of the city, gathered in completely surprising form. The guests came with well filled baskets of eatables and gallons of ice cream. The evening was spent in social enjoyment. Mrs. Schiefelbusch was formerly Miss Ratzliff of this city.

The Rev. Mr. and Mrs. Spillman and daughter spent Thursday with friends in Milton Junction.

John Madden returned Wednesday from Montana, whence he had been for some time looking after the estate of his brother, Tom, who recently died. Mr. Madden reports the financial conditions not of the best.

Church Notices:
Methodist Episcopal church: Boyd W. Kramer, pastor; Friday evening 7:30, meeting of Sunday school teachers and officers; Saturday, 4 p. m. preparatory members meet. Sunday, April 17, Sunday school session at 10 a. m., preaching and worship.

"MORE 'PEP' TODAY THAN WHEN A GIRL," SHE SAYS

"I've got more 'pep' and ambition today than I had when a girl, I do believe," said Mrs. Louis Alberts, Stevens Point, Route 3, wife of a prosperous farmer.

"However, for the past two years I had been run down as a result of stomach trouble and constipation. Two bottles of Kozak, however, soon banished my stomach trouble, made it possible for me to eat good, sleep fine and awaken feeling refreshed."

I find that I tire less easily and always feel happy and vigorous. For two years I had experimented with medicines of all kinds, but at last found in Kozak exactly what I needed. It did wonders for me and I am not ashamed to tell anyone. Kozak, the "Master Medicine" sold exclusively by People's Drug Store; Beloit, Krueger and Flarity.

Kozak seems to quickly master stomach, kidney, liver and Catarrhal ailments when all else fails.

11 a. m., special music by a chorus choir; Senior Epworth league, 8:15 a. m.; services in Norwegian, 11 a. m.; no evening services. Miss Miriam Woodbury, New York City, of the Woman's Board of Missions.
